- 3 beds
- 2 baths
- 2183 sq ft

Do you need some room to spread out? How about a double lot? Come check out a great neighborhood with a very reasonable HOA. The home has an open floor plan. There is a small pond behind the home and one of the largest lots in the neighborhood. The yard has mature trees and landscaping. The solar panels convey with the home and help to greatly reduce utility costs. The pool is just across the street! Come tour your new home today!
